CONSTRUCTION NOTICE

PUBLIC WORKS PROJECT

WHERE: Re-Bid for the Yorba Substation 12kV Switchgear and Control Building Upgrade

LIMITS: N/S – La Palma Ave to Santa Ana River
E/W –Kellogg Drive to Manassero Street

BEGINS: October 2016

COMPLETION: April 2018

TYPE OF WORK: The work to be undertaken consists of installing a new 18 position, 12kV metalclad switchgear bank and a new prefabricated control building which will control both the existing 69kV switchgear bank and the new 18 position, 12kV metalclad switchgear bank at the Yorba Substation. The work also includes the installation of four turning poles, modifications to dead-end structures, pre-fabricated cable trenches, duct banks, conduit, conductors, pull boxes, foundations, paving and fencing.

TRAFFIC CONSIDERATION: During construction, there will be traffic lane closures; therefore, traffic disruptions shall be expected.

PARKING: “No-Parking” signs will be posted in advance to restrict parking in construction zones. Please adhere to the dates and hours on the posted signs.

CONTRACTOR: The Ryan Company (508) 742-2517

SUPERINTENDENT:

CITY INSPECTOR: Dany Mazraani (714) 231-8373
